Supporting Evidence: Sarah Butler is considered in violation of her period of supervised release in the Eastern District of Washington by failing to report for a mental health evaluation on or prior to November 9, 2012.

The defendant was scheduled for a mental health assessment on November 9, 2012, at noon. The defendant failed to report for the assessment as directed. Contact was made with the defendant's grandmother by the treatment provider and this officer about the defendant's whereabouts. It was related the defendant had left the residence the night of November 8, 2012, and has not been home since.

- 3 **Special Condition # 17:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Sarah Butler is considered in violation of her period of supervised release in the Eastern District of Washington by using a controlled substance methamphetamine, on or prior to November 8, 2012.

On November 8, 2012, the defendant reported to the probation office in Richland and admitted she had used methamphetamine with a friend the night prior. A urinalysis test was completed which returned a presumptive positive test for methamphetamine. The sample was forwarded for confirmation.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: 11/09/2012
